Honerable T. H. Humpherys
State Engineer
Salt Lake City, Utah

Dear Sir:

Following the instructions given in your letter of April 4, 1936, I am enclosing here with a copy of minutes and a check of ten dollars.

If this takes care of the items mentioned in your letter properly we shall appreciate if you will now appoint Mr. Franklin Hansen as water commissioner for the season of 1936, to divide water on Boulder creek, East, West & Center Dear creek and Frisky creek all of which are in Garfield county.

Yours very respectfully
